

ELSEY'S WALTZ. English, Waltz. England, Northumberland. D Major. Standard tuning (fiddle). AABB. A Northumbrian waltz composed by Archie Dagg (1899 - 1991), a shepherd and fiddler who took to making smallpipes and reeds late in life; he composed several tunes, which have been collected ("A Coquetdale Garland").

"This tune was one of the "hits" at a Northeastern fishing/seaside town festival. It seemed to get played in every session."
